

Dear Parents,

We understand that there is a possible need this coming Fall for a Kindergarten Enrichment program in the District 96 area. We have been approached by a few parents and the North Riverside Recreation Department Preschool staff is very interested in providing such a program. As many of you know we can offer the following:

- ◇ Certified Teachers in Early Childhood Education plus an experienced aide
- ◇ A large fully equipped classroom for instruction and free play
- ◇ A kitchen and art room for creative enrichment programs
- ◇ A gym and outdoor playground for gross motor activities
- ◇ Police and Fire personnel adjacent to building for security
- ◇ Recreation Department staff to handle all clerical work
- ◇ Plus many more amenities that will enhance your child's experience

For many years our teachers have worked cooperatively with District 96 to ensure that our preschool curriculum prepares the students to transition successfully into their kindergarten program. The enclosed flyer gives you the details of our program. Please feel free to share this information with other parents of kindergarten age children that would benefit from this enrichment program. If you have any questions or concerns don't hesitate to contact the Recreation Department.

Sincerely,

Susan Frampton  
Director of Parks and Recreation

Liz Durec  
Preschool Director

## Kindergarten Enrichment Program

Do you have a Kindergarten age child and looking to extend their day? This brand new 3-day Kindergarten Enrichment Program is designed to enhance what your child is learning in kindergarten through the use of individual and group activities, offering a more in-depth exploration of thematic subjects. Students will be encouraged to work at their own pace while developing their basic reading, writing, math and science skills. We will have use of the gym and playground for gross motor activities. Students should bring their lunch and come prepared to learn and have fun! Enrichment will run September 2010 – May 2011. We will follow District 96 days off, i.e. if there is no morning kindergarten, there will be no enrichment class.
